Old Business

Kenny Simonton reported the Park Cemetery kiosk shelter building would be moved into place tomorrow, April 19, 2018 at approximately 7:30 a.m. Sherri Mullinnix said the actual Kiosk should be delivered by Windy Prairie Systems the first week of May.

The Commission was reminded of the upcoming CLG Training on May 8, 2018 at 5:30 P.M. in the conference room at City Hall. Sherri Mullinnix said she would send out a reminder to all commission members.

May is National Preservation Month. The Commission will be reporting on their activities for the past year to the Douglas City Council at the May 14th City Council Meeting. All members are asked to attend the meeting which starts at 5:30 P.M. Also the annual Preservation award will be presented to Scott and Jacey Bauman from the College Inn at that time.

Kenny Simonton said he has been researching the costs of putting in a solar system and pump for the Pioneer Cemetery. He said he needs to find out more information on the existing well and pump system but estimated the cost for the new system at \$2300.00.

SHPO requested each CLG to submit photos for some of their recent projects for preservation month. Sherri Mullinnix said she went ahead and sent a submission from the Commission on the work at the Pioneer Cemetery.

The annual 3rd grade school tours of the Downtown Historic District and Pioneer Cemetery were discussed. Maureen Morgan said she would contact the schools regarding the schedule for this year.

The train car tour by the Commission members was discussed. Sherri Mullinnix said a couple from Thermopolis were tentatively scheduled to be here this week end to evaluate the cars for preservation and resources for any necessary work on the train cars. The Commission decided to try and schedule their May 16th meeting at the train depot beginning with a tour of the trains and ending with a short commission meeting. Sherri Mullinnix said she would try and set up the meeting with Enterprise for 5:00 on May 16, 2018 at the depot.

New Business:

Sherri Mullinnix said she met with Todd Thibodaux at Camp Douglas and work continues on the restoration. The bar room has been recreated from old photos and the billiard table has been set up in the former billiard room. Camp Douglas is scheduled to open Tuesday after Memorial Weekend, May 29, 2018.

Adjournment:

The next regular meeting is scheduled for May 16, 2018, tentatively, for the 5:00 tour at the Train Depot.

The meeting was adjourned by Chair, Maureen Morgan at 6:30 p.m.
