#### **CLG Training**

The Commission members felt the CLG Training on May 8, 2018 with Erica Duvic went well.

**Preservation Week**

The Commission presented their annual report on their activities for the past year to the Douglas City Council during the City Council Meeting on May 14th. The presentation of the Annual Preservation Award was made to Scott and Jacey Bauman from the College Inn at that time. At the CLG training Erica Duvic asked that Jacey Bauman get in touch with her so she could feature Douglas and the College Inn on the SHPO website for Preservation Month.

The Third Grade Historical Tours in Downtown Douglas and at the Pioneer Cemetery were finished and members felt they went well. Bill Sinnard was thanked for his efforts to clean the tumbleweeds out of the Pioneer Cemetery before the tours.

The consensus of the Commission was with all the work going on finishing up the kiosk at the Douglas Park Cemetery there would not be a Pioneer Cemetery open house this year.

**New Business:**

With the finishing of the work on the kiosk at Douglas Park Cemetery, new projects for the commission were discussed. Betsy Flaherty said she would like the Commission to consider developing a Southside Historic District. Helping out with the preservation of the railroad cars at the new railroad museum was also discussed.
